The girl's soccer team ended a terrific season with a 13-3-2 record. For the second year in a row the team entered the state tournament, only to lose in the preliminary round. Six players were nominated for the All-Suburban League Team and they were Lisa Krakow, Debbie Kindred, Jane Lojek, Linda Gauger, Michelle Figueira, and Tracey Green. Both Lisa and Debbie were selected. The team is losing only two players from this year's team and should be a strong contender for the title next year.

Volleyball State Champions

Our dream was to make the States. We started off with a bang by beating Brockton for the first time in five years. Going into the tournament we were seated 12th out of twelve entries, but after the preliminary rounds we proving that we were a team that could win it all. In the semi-finals we beat Newton South, Taunton, and Fall Rivers, which qualified us for the finals against Milford. In the first game we were behind 8-0 when Valerie Jellison went to the line to serve 15 straight points to win the game. Milford proved to be a tough opponent in the second game, but with Karolyn, Sally, Michell, and Galina hitting, and with Val and Sue setting, we won the game and the State title.

Swimming

Team Captains: Janice and Sandy

The 1978 Girls' Swim Team had another winning season, with a record of 11-1, placing them second in the Suburban League. Eight girls participated in the sectionals and four girls made the Suburban League all star team. The success of this year's team was due to the hard work outs of swimming 5000 yards a day, exercising, and weight training. Most of all, it is the reflection of team spirit and togetherness instilled by coaches Jim Locke and Jo Anne Damigella. Their encouragement created an atmosphere of total team committment. We had a year with "the whole team on our side."

Co-Captains: Sandy Shankle

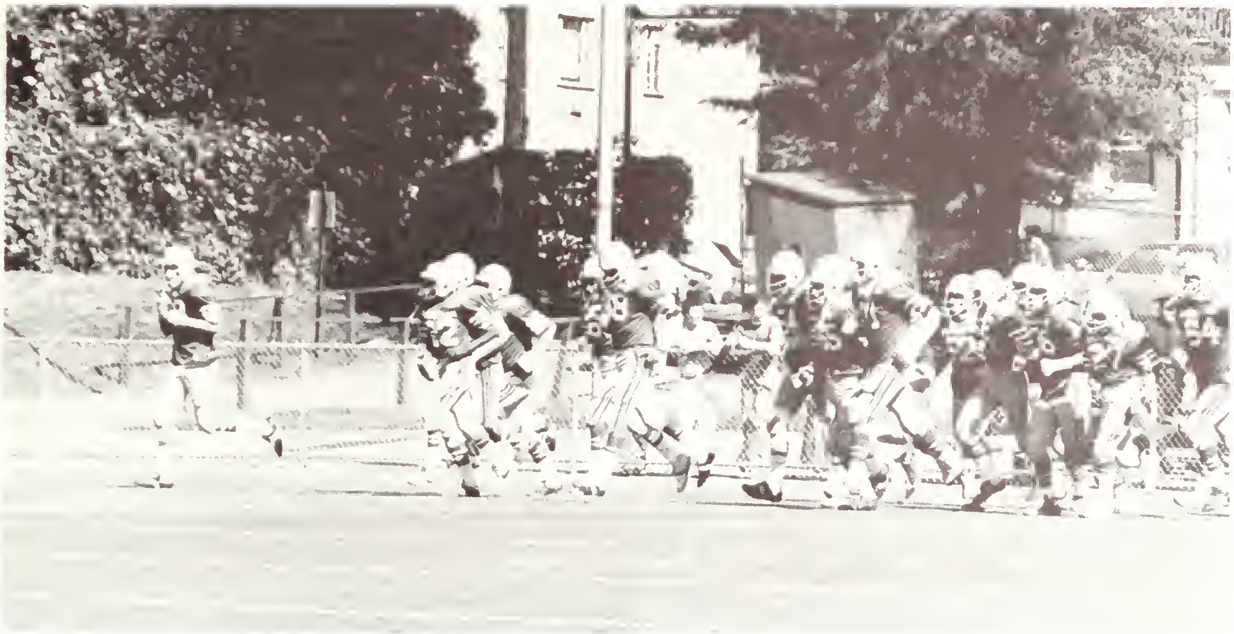
VARSITY FOOTBALL TEAM
1st Row L to R: John Nicastro, Kevin Heffernan, Jordan Dickstein, John Haveles, Captain — Bobby Ewanouski, Joel Kadis, Joey McMahon, Jay Sweeney, Richie Nelson. 2nd Row L to R: Coach — George McQuane, Jon Doherty, James Seibel, Dennis Harrington, Paul Drain, Jimmy Reardon, Kenny Anderson, Trainer — Michael Weston, Webster Rogers, Coach — Paul Brennen. 3rd Row L to R: Equipment Manager — Bernard Johnson, David Ewanouski, David Maroney, Jed Klein, Costa Evangelakos, Evan Ratner, Jimmy Corbett, Allison Jones, Billy Ward, Kevin O'Leary, Coach — Jon Waldstein. 4th Row L to R: Head Coach — Ed Schluntz, Gerard Ward, Gary McCue, Jon McCrae, Paul Peyev, David Simmons, Jimmy Hickey, David Clark, Steven Gootkind, Coach — Don Pelegrini.



Coach Schluntz commented at the fall awards assembly, "we never gave up. We always gave 100%." However, one hundred percent was not always enough in the powerful Suburban League. The season's record of two and eight was a definite let down from a midseason hope of five and five. Brookline was hurt early in the season by the loss of two tri-captains and one of the starters due to injury. Therefore, Brookline was just not capable of capitalizing on other teams' mistakes. A disappointing loss to Newton North on Thanksgiving, twenty to zero, proved a fitting end to a frustrating season. Special congratulations are given to All Suburban members, Jed Klein, Costa Evangelakos and Kenny Anderson.

Man, do I ache!

BOYS SWIMMING TEAM
1st Row L to R: Charlie Kickham, Bruce Arbitt, Richard Gollis, Henry Garelick, Jordie Kaplan, Bill Somerville, Dirk Dino, Danny Blank, Ernie Halpern. 2nd Row L to R: Larry Mullaney, Jerry Kempler, Jeff Cockfield, Allen Summerville, Chuck Pineo, Simon Long, Tom Myers. 3rd Row L to R: Mr. Hafferty (Coach), Roger Miller (Capt.), Jordan Dickstein, David Miller, Peter Green, Paul Smolens, Chris Mullaney, David Ryan, Chris Papajohn, Ryne Allen, Audrey Frank (Manager) Not Present: Matt Ellis, Richard Tobin, Jim Novakoff (Capt.), Larry Sperber (Capt.), Scott Kogos.

The Swim Team has never had so many solid swimmers. In the past, a few superstars were the backbone of the team. This year, Brookline always had three steady swimmers in each event. Our 5-3 record doesn't truly show the team's accomplishments. Consider that we are only a team for three, cold winter months, and we compete against teams that train year round. The secret of our success lies in the "slightly unconventional" training methods of our inventive coach, Chris Hafferty. His contemporary philosophies involve yoga, stretching, and psychological training — like, "have a positive mental attitude," and "feel high in the water." Coach Hafferty's beliefs in the sensitivity levels of hard swimming — pain, torture and agony, have created new training methods such as hypoxic, breath kicking, and lungbusters. His energy and enthusiasm for swimming have kept the team sane though not so evident during a cold water bucket fight. The Coach implements mental images so that the swimmers focus maximum energy into their races. This practice had great results in our victory over Don Bosco, as every swimmer cut down his time — some up to nine seconds. The divers performed well throughout the season and diver John Findley broke the school record with 193 points. The power of the team's spirit this year was shown by the awesome improvements of every swimmer and by the binding team unity. By the way, no one drowned.

Boy's Gymnastics

"Ain't No Half Steppin'.." The performance of the boy's gymnastics team signified the true meaning of team dedication. Given the limited manpower to work with, we over**stepped** our bounds of expectations. Much support and leadership was contributed by Marc Cheung, Robert Yee, Danny Wong, and most valuable player, Eddie Gresser. Gari Wong, Paul Wilkosky, and Barry Goldberg also contributed much to the team.

Also, a special thanks to Coach Harrington and Coach Geist.

Girl's Gymnastics
This year's girl's gymnastics team, coached by Ms. Roberts, Ms. Parish, and Mr. Devio, was very successful. We ended the season with a 7-2 record. The team consisting of mostly underclassmen performed beautifully, and contributed much to the team. Since only three are seniors, the team should walk away with the suburban League Title.

The performances of this year's winter track team were far better than it had been in many years. The team worked hard under inspiring new coach, Jim Burnsin, in rebuilding the track team into a force to be reckoned with in the future.

Girls' Winter Track

Before we say anything about our season, we would like to point out that there would not have been a season without our coach, Mr. Parsons. Along with his fine coaching abilities, he has enabled us to think of track as more than a competitive sport. He helped us understand track by showing us how to enjoy it and learn about ourselves without it being simply an ego trip. Our season record was 7-1 with a close defeat by Newton. The season went fast, with many of our team mates feeling like sisters. We would like to thank everybody for this season, and we look forward to next year.

THE SKI CLUB

The Ski Club is one of the most enjoyable clubs in the high school. With a membership of 150 students, it is the largest, active club within the school, and it offers several day and week-end trips to New England ski areas, and most spectacularly, a week-long trip to Sugarloaf during February vacation.

The club allows all skiiers, whether beginners or experts, the opportunity to ski among friends inexpensively. It also allows students to know one another outside of the school, in a totally different environment, and out of the club come some of the closest friendships.

The ski club is advised by Mr. Wally Ulich, and the 1978-1979 presidents are; Clare Fox, Peter Siegel, and Lewis Schneider.

Photography Club

The photography club is a group of energetic, dedicated students who are both beginning and experienced photographers. Members meet for lively weekly darkroom sessions and frequently have their photos published in the Murivian, Sagamore, and other publications. Some members have produced prize-winning photographs. David Rosenbaum is president this year.

Headmaster's Message

To the Class of 1979

A whole lifetime stretches ahead of you; fill it with action and with energy, all centering on the improvement of the human condition. There is room for everyone if only we give each other space; there are resources enough if only we conserve and share; and there is love enough to last each lifetime for each man, woman and child, and yet have a surplus. Dream magnificently and grandly, and I'll pray that your dreams will come true.

Student Speak Out
BHS is . . .

What you make it.

Hustling down the halls.

Life in the Rat race.

A place to read walls.

SAGAMORE

Lousy food.

Calling in to say you'll be late when you don't feel like going to class.

Smoking in the Boys' Room.

Having to work but not wanting to.

Boring!

A school with a lot of hidden talent.

Sleezing through four years of high school and still getting into a fine college.

I hate it!

Lovers and other strangers.

Ummm . . . good question.

BHS is BS!

BHS is . . .

Sophisticated.

A lot of opportunities for all students.

Open Campus, SWS, crappy food, Awols, exams, Thanksgiving day games, and friends.

Education — the real meaning of the word.

Basic, **S**tandard, **H**onor.

Broken hearts.

A bit too lenient.

Great place, best high school I've been to . . . only high school I've been to.

A word in itself.

Flunking a math test, and walking through the halls pushing Freshmen.

Sleepless nights and fetal pigs.

Learning nothing in English, and then your English teacher can't figure out why you did so bad on your S.A.T.

Food fights and false alarms.

Duck-Duck Goose in homeroom.

No school spirit, but still going to the games.

Track meets and nervous breakdowns.

Not going to classes and never getting Awols

BHS IS GREAT!
